

Touchless travel

American Airlines offers customers a contactless journey as they connect with those who matter most during this holiday season. From checking in for a flight at home to picking up baggage at their destination, customers can travel with confidence.

Use the American Airlines app or website to check in for your flight at home.

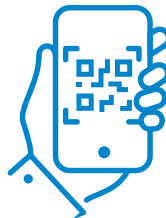

sherpa^o

Check American's interactive travel tool, powered by Sherpa, for the most up-to-date COVID-19 travel requirements.

At home

At the airport

Use your mobile device to scan the QR code on the kiosk to check in...

... or scan your printed boarding pass at our kiosk to receive a bag tag for checked luggage.

Test the latest mobile ID technology by using our biometric bag drop at Dallas Fort Worth International Airport or Ronald Reagan Washington National Airport.

Download the latest digital magazines and newspapers, including the latest issue of *American Way*, at an Admirals Club lounge.

Stream your favorite holiday movie or entertainment from our inflight library straight to your mobile device.

On the plane
